What role does the airport play in your life?

Working with the Young Eagles  
PROGRAM AND DEVELOPING SOME  
PARTS OF OUR S.T.E.M. PROGRAMS  
ENABLES IN ME A PURPOSE TO  
GUIDE THE YOUTHS OF TODAY.  
Brown Field provides a location  
for me to realize my dreams of  
flying at an AFFORDABLE RATE  
that does not exist at airports closer to  
my residence

What would you like to learn more about as part of the Brown Field Municipal Airport Master Plan study?

I would appreciate any information  
on efforts to maintain AFFORDABILITY  
for the pilots that have a tight  
Budget (eg: AFFORDABLE HOUSING FOR AIRPLANES)

What role does the airport play in your life?

AS LONG TIME MEMBER (40 YEARS) OF THE EAA AND  
PLANE OWNER FOR MANY YEARS I HOPE AND PRAY  
"WE" DON'T LOSE THE EAA AREA. WE'VE FLOWN 100'S OF  
YOUNG FALLES OVER THE YEARS. IT'S ONE OF THE LAST  
AREAS YOUNG PEOPLE CAN SEE, TOUCH, & GET A "RIPE" FOR  
FREE IN A GEN. AVIATION AC.

I'VE LIVED IN CHULA VISTA SINCE 1970. BROWN FLD  
FILED MY DREAMS IN GETTING MY PRIVATE PILOTS TICKET,  
IT OPENED THE WORLD TO ME & MY FAMILY. I WOULD HATE  
TO LOSE MY PLANE AND THE JOY OF FLIGHT.

What role does the airport play in your life?

Learned to fly @ Brown and continue  
to pass along my aviation enthusiasm  
by organizing Young Eagle flights for  
kids 8-12 years old. Naturally our  
future pilots and help in them  
understand different careers in aviation -  
pilots - operators - and engineering.  
It is a joy to see the kids faces after  
their first flight.

What would you like to learn more about as part of the Brown Field Municipal Airport Master Plan study?

I would like to learn how the  
City is going to support General  
Aviation - and future pilot growth.

What role does the airport play in your life?

Member of EAA with my teenage son. Having EAA Young Eagles as an organization in the south bay has provided an opportunity to educate kids about careers in aviation. If it was not for Brown Field and EAA my son would not be working towards his private pilot's license at the age of 16. While at EAA, it also ~~provides~~ <sup>improves</sup> leadership skills as he provides training to the younger children <sup>his</sup> in the operation of flight simulators.

What would you like to learn more about as part of the Brown Field Municipal Airport Master Plan study?

The plan to keep the light civil aircraft operating at Brown Field thru EAA + First Flight pilot training.

What role does the airport play in your life?

I KEEP MY AIRPLANE (BEECHCRAFT BARON) AT BROWN, IT IS CONVENIENT AND LESS EXPENSIVE THAN MOUNTAIN VIEW FIELD. I'M ACTIVE WITH EAA CHAPTER 14 IN THAT I ENJOY FLYING "YOUNG EAGLES" (KIDS 8 TO 19 YRS OLD). FOR MANY, THIS IS THEIR FIRST EXPERIENCE WITH GENERAL AVIATION, SOME HAVE NEVER SEEN ANYTHING SMALLER THAN A BOEING 737 AND ARE AMAZED TO LEARN THAT THEY COULD BE A PILOT SOME DAY.

What would you like to learn more about as part of the Brown Field Municipal Airport Master Plan study?

I WOULD LIKE TO SEE BROWN FIELD REMAIN A "G.A. AIRPORT". ALTHOUGH WE HAVE AN 8 THOUSAND FOOT RUNWAY, BROWN IS NOT SUITABLE FOR CARGO TYPE AIRCRAFT OPERATING 24 HRS A DAY, TOO MANY RESIDENTIAL UNITS CLOSE BY AND A MOUNTAIN DUE EAST. WE ALSO NEED A PLACE ON THE FIELD TO WASH AIRPLANES

What role does the airport play in your life?

I AM A PRIVATE PILOT WITH A PLANE HANGARED AT  
EAA #14, HANGAR #15. I FLY AS AN AVIATOR  
AND ALSO FLY YOUNG EAGLES AS PART OF A "GET YOUNG  
PEOPLE INTERESTED" PROGRAM. EDUCATION, FLIGHT  
TRAINING & EXPOSURE TO AVIATION @ A YOUNG AGE WILL  
FULFILL THE FUTURE NEEDS FOR PILOTS. LACK OF INTEREST  
IN AVIATION WILL LIMIT THE ADVANCEMENT OF AVIATION  
& CONTRIBUTE TO THE LACK OF PILOTS.

What would you like to learn more about as part of the Brown Field Municipal Airport Master Plan study?

YOU NEED TO ADD (1) OR (2) WASH RACKS  
SOMEWHERE ON THE SOUTH SIDE OF THE  
AIRPORT. I UNDERSTAND THE RACK WILL OPERATE  
LIKE A SEPTIC SYSTEM, WITH A OIL/RESIDUE COLLECTOR  
AND A FINAL CLEAN TANK THAT DISSIPATES THE  
FILTERED WATER. WE REALLY NEED A FACILITY LIKE  
THIS. RAMONA HAS ONE @ CALISEAIR AVIATION FBD

THANKS

What role does the airport play in your life?

It would serve as a place to house my aircraft and to fuel it, if I could find suitable hangar facilities. The hangars that are currently available for lease are in various stages of disrepair which do not serve my purpose. In addition, there are no hangars or spaces for hangars available for sale. As a result, I keep my aircraft at Gillespie Field.

Gillespie seems to be better run than Brown Field, which I believe to be due to a better vision by those in management. For instance, Gillespie Field has a wash rack for washing aircraft where Brown does not. Gillespie obviously has many more businesses on the field than Brown.

What would you like to learn more about as part of the Brown Field Municipal Airport Master Plan study?

I would like to see something more definitive as to what a realistic plan would be and a concrete time frame to accomplish it. I would also like to see more public input from aircraft owners like myself.

Please provide other comments below.

I am surprised to see the City of San Diego operate an airport whose facilities are as run down and defapidated as they are. It is hard for me to be proud to invite friends and neighbors to Brown Field in its current condition.

What role does the airport play in your life?

IT IS A VITAL ROLE FOR MY GENERAL AVIATION  
USE AND ACTIVITY.

I WOULD LIKE TO SEE IT GROW, TO  
ADVANCE THE ECONOMIC BENEFITS  
FOR SOUTH BAY.

What would you like to learn more about as part of the Brown Field Municipal Airport Master Plan study?

- ENVIRONMENTAL IMPACT
- POPULATION THAT WILL SERVE
- ECONOMIC IMPACT
- SOURCE OF FUNDING

Please provide other comments below.

THE OPEN HOUSE ACTIVITY DIMINISHES THE DISEMINATION OF INFORMATION BY PRESENTING THE PLAN IN PARTS RATHER THAN IN A PRESENTATION MODE THAN ENCOURAGES CIVIC PARTICIPATION.

THE INPUT COULD BE COLLECTED IN A MIXED FORMAT TO BENEFIT EVERYONE.
