It's high time that the City develop Brown Field for the community and the airport it self. Any decent airport has a Museum to illustrate the history of the airport and provide access by the public to aviation. The City should fund this and not rely on private enterprise to do it's work. This is the City's RESPONSIBILITY. It is necessary and long overdue!

1. I AM INTERESTED IN THE POSSIBILITY OF LAND BEING SET ASIDE FOR AN AIR MUSEUM. IT WOULD DRAW PEOPLE FROM THE EXPANDING SOUTHBAY REGION; GIVE A CONNECTION TO THE LOCAL COMMUNITY, AND ENCOURAGE PEOPLE TO SUPPORT GENERAL AVIATION.

2. I AM ENCOURAGE IN ALTERNATIVES 2, 3, 4 WHICH GREATLY REDUCE THE NUMBER OF HANGARS

3. A NEW TERMINAL BUILDING SHOULD BE FIRST CLASS WITH A FINE RESTAURANT AND SHOWER FACILITIES FOR PILOTS

4. IS THERE A NEED FOR AN EMERGENCY MEDICAL FACILITY FOR MEDICAL PATIENTS
